Farm to Table — South Africa

MEAT

studexmeat.com

FROM THE FARM TO YOUR DOOR

Studex Meat is South Africa's premium online butchery — sourcing heritage and luxury breeds directly from verified farms and delivering to homes and businesses across the country.

Full provenance transparency. Every cut shows the farm, the animal age, and the slaughter date. Customers know exactly what they're buying.

All products are 100% Halal certified. Direct farm relationships. No middlemen markup.

BUILT TO DELIVER

Vetted specialist food delivery providers ensuring every order arrives fresh, on time, in perfect condition.

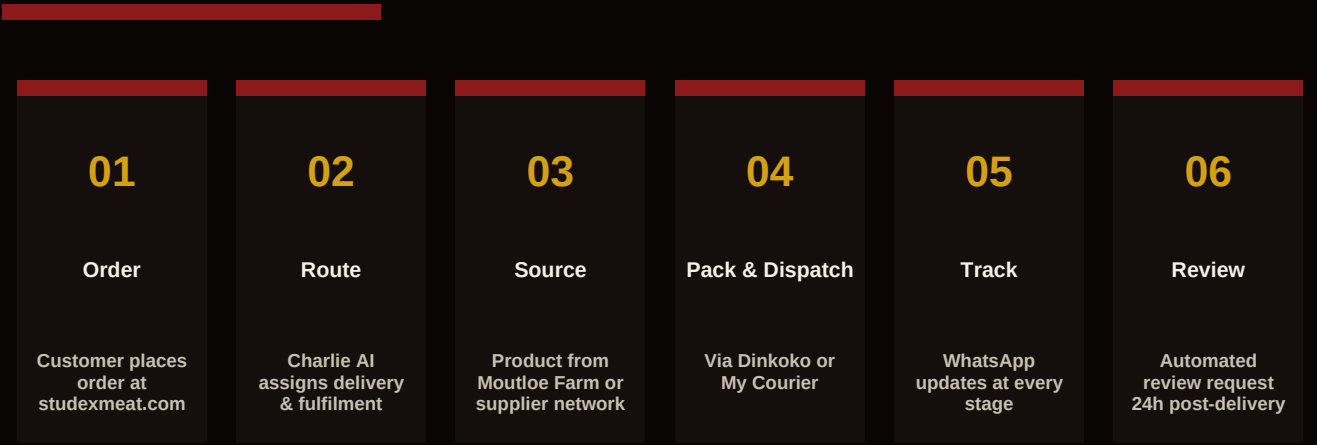

All deliveries include real-time WhatsApp tracking updates. Orders assigned to optimal partner by routing zone.

THE DIFFERENCE

-
- 100% Halal certified — every product, every supplier
 - Farm provenance on every product page
 - Same-day delivery available in Gauteng
 - Dry-aged & premium cuts unavailable in retail stores
 - Direct farm relationships — no middlemen markup
 - Online ordering with real-time delivery scheduling
 - AI-powered order management (Charlie orchestrator)
 - Post-delivery automated review requests

HOW IT WORKS

THE PIPELINE

MARKET REALITY

South Africa's premium meat e-commerce market is growing rapidly. Studex is positioned to be the leading online specialist for heritage and luxury breeds in Southern Africa.

- Rising middle class demand for premium food
- Farm-to-table transparency trends
- Shift to online grocery accelerated by convenience
- African luxury meat market growing to 2034
- Agent infrastructure running 24/7
